(6) Deconcentration and Income Mixing

a. ☒ Yes ☐ No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.

b. ☒ Yes ☐ No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete. If yes, list these developments on the following table:

Deconcentration Policy for Covered Developments			
Development Name	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]
Project 1 – Sunset Terrace	26	Development income falls below 85% - 115% of Program wide income	The LHA will use the Deconcentration Policy (explained below) to accomplish goal

It is Lebanon Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Lebanon Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The worksheet for the analysis is available for review.

Voluntary Conversion

In accordance with federal regulations, the Lebanon Housing Authority conducts this initial assessment for each of its covered public housing developments to determine if conversion of existing public housing stock into tenant-based assistance is needed at this time. This initial assessment is a non-binding evaluation of the appropriateness of voluntary conversion for each property.

The assessment is intended to consist of a common sense review of relevant factors for each covered development, and does not require a market study or application of a cost test. In determining that a development may be appropriate for conversion, , the Lebanon Housing Authority must conclude that the development meets the following tests:

1. conversion would not be more expensive than continuing to operate the development as public housing;
2. conversion would principally benefit residents of the public housing development to be converted and the community; and
3. conversion would not adversely affect the availability of affordable housing in the community.

Once the required initial assessment is completed, the Lebanon Housing Authority will retain and have available for public review a brief narrative description to document its reasoning with respect to each covered development.

KY022-001 Sunset Terrace

The Sunset Terrace development is a well maintained housing site on which the Lebanon Housing Authority resides. Sunset Terrace has a good racial mix and houses both the elderly and families. Sunset Terrace does not have a vacancy problem and usually stays 100% occupied.

The cost of converting Sunset Terrace cannot be justified as this development is considered a viable entity to the Housing Authority. Conversion would not benefit the residents of this development as the units are well maintained. Converting this development to tenant-based assistance would further strain the current rental market in the private sector as rental property is scarce in the Lebanon, KY area. Elderly, especially, would have a difficult time finding available rental units.

The Lebanon Housing Authority recommends that Sunset Terrace not be converted at this time.

KY022-002 Rosenwald Village

The Rosenwald Village development is a well maintained housing site owned and operated by the Lebanon Housing Authority. Rosenwald Village has a good racial mix and houses both the elderly and families. Rosenwald Village does not have a vacancy problem and usually stays 100% occupied.

The cost of converting Rosenwald Village cannot be justified as this development is considered a viable entity to the Housing Authority. Conversion would not benefit the residents of this development as the units are well maintained. Converting this development to tenant-based assistance would further strain the current rental market in the private sector as rental property is scarce in the Lebanon, KY area. Elderly, especially, would have a difficult time finding available rental units.

The Lebanon Housing Authority recommends that Rosenwald Village not be converted at this time.

KY022-003 Hardin Place/Cleaver Court

The Hardin Place/Cleaver Court developments are well maintained housing sites owned and operated by the Lebanon Housing Authority. Hardin Place/Cleaver Court have a good racial mix and houses both the elderly and families. Although Hardin Place/Cleaver Court routinely have several vacancies, future remodeling using available capital funding will immensely help the occupancy percentage.

The cost of converting Hardin Place/Cleaver Court cannot be justified as these developments are considered viable entities to the Housing Authority. Conversion would not benefit the residents of these developments as the units are well maintained. Converting these developments to tenant-based assistance would further strain the current rental market in the private sector as rental property is scarce in the Lebanon, KY area. Elderly, especially, would have a difficult time finding available rental units.

The Lebanon Housing Authority recommends that Hardin Place/Cleaver Court not be converted at this time.

KY022-004

Hamilton Heights/Warren Acres/Manor Drive/ Memory Lane

The Hamilton Heights/Warren Acres/Manor Drive/ Memory Lane are well maintained housing sites owned and operated by the Lebanon Housing Authority. Hamilton Heights/Warren Acres/Manor Drive/ Memory Lane have a good racial mix and houses both the elderly and families. Hamilton Heights/Warren Acres/Manor Drive/ Memory Lane do not have a vacancy problem and usually stay 100% occupied. The recent remodeling of Hamilton Heights has greatly enhanced this site and is now the most requested site of the Lebanon Housing Authority's housing stock.

The cost of converting Hamilton Heights/Warren Acres/Manor Drive/ Memory Lane cannot be justified as these developments are considered viable entities to the Housing Authority. Conversion would not benefit the residents of these developments as the units are well maintained. Converting these developments to tenant-based assistance would further strain the current rental market in the private sector as rental property is scarce in the Lebanon, KY area. Elderly, especially, would have a difficult time finding available rental units.

The Lebanon Housing Authority recommends that Hamilton Heights/Warren Acres/Manor Drive/ Memory Lane not be converted at this time.
